PRESS COMMUNIQUE.

NEW PATTERN FIFTY-RUPEE NOTE.

In pursuance of their policy of remodelling their currency note issues, the Government of India propose to introduce shortly a new pattern fifty-rupee note. The general appearance of the new note is entirely different from that of the existing fifty-rupee note and bears more resemblance to the hundred-rupee note now in circulation. A detailed description of the new note is given below for the information of the public :—

Size.—The note is 6½" long and 4¼" wide or one quarter of an inch greater in each dimension than the Rs. 10 note.

Design.—The main feature of the colour scheme of the note is the imposition of the principal design, the head of His Majesty the King Emperor, and the legend in a blue purple, upon a border of red purple. These are further protected by an intricate rainbow printing in buff and warm and cold greens.

Front.—On the front the head of His Majesty the King Emperor with Crown and Orders appears within an oval on the right of the note and his portrait in watermark within a similar oval on the left, free of printing. The legend setting forth the promise to pay and the amount of the note appears in the centre on an intricately interwoven rosette composed in the main of the red purple of the border and the cold green of the rainbow print above is a tablet with the words "The Government of India" in large letters and below is the signature of the Controller of the Currency.

Back.—The back of the note is printed in a single colour, mauve, with the value in English and eight vernaculars with two similar ovals corresponding with the oval frames on the front.

Watermark.—The watermark in the paper consists of a portrait of His Majesty the King Emperor in a clear oval on the left of the note and the words "Government of India" in relief in the lower half of the centre of the note.

2. Notes of the new pattern will be issued from the Currency Offices in India from the 15th August 1930. Fifty-rupee notes of the old pattern will continue to be legal tender on the introduction of the new pattern note.
